

[Advance Notice]

Tohoku University Admission Selection in 2027

With the launch of Gateway College admission selection, from 2027, Tohoku University hereby (1) discontinues the following admission selection processes and (2) revises admission quotas. The overall number of accepted students remains the same.

(1) Admission selection processes discontinued due to the launch of Gateway College:

- Global Entrance Examination I
- Global Entrance Examination II
- Future Global Leadership Undergraduate Degree Courses Entrance Examination

(2) Revision of admission quotas through each selection process due to the launch of Gateway College

Admission quota for each entrance examination has been revised, as shown in the appendix. Detailed information will be officially announced in the Application Guide 2027 (to be published in June 2026).

Regarding admissions through Special Selection (Comprehensive Admission), such as the Science Olympiad Entrance Examination, the International Baccalaureate Entrance Examination, the Returnee Students Entrance Examination and the Privately Financed International Students Entrance Exam, admission quota remains the same and is not subject to change.

[Until 2026]

The number of admitted students and quotas for each admission process remain the same as in June 2025. For details, please refer to [page 14-15 in Application Guide 2026 \(Japanese only\)](#).
